To: Owners/Operators of Facilities located in The Regional Municipality of York
Where Organized Sports are Played and/or Practiced

Re: York Region Public Health Instructions for Owners/Operators

I am writing to notify owners and operators for the above Facilities of your responsibilities.

I also wish to thank you for your ongoing support throughout the COVID-19 pandemic to help protect the health of York Region residents. It is through our collective efforts that we will keep our communities safe. The fourth wave of the COVID-19 pandemic is upon us, with the highly transmissible Delta Variant being the dominant variant in COVID-19 cases. The Ontario's Science Advisory and Modelling Consensus Tables advise that the Delta Variant is twice as transmissible than the original SARS-CoV-2 virus. Daily COVID-19 case counts in Ontario are substantial, with provincial data showing over 5,891 new cases reported to public health during the period of September 11 to September 18, 2021, of which York Region's share was 523 cases (9%).

Activities related to organized sports have the potential to enhance COVID-19 transmission. Specifically, close contact, forceful exhalation, prolonged exposure, crowded indoor spaces and masks and face coverings removed during physical activity contribute to enhanced likelihood of COVID-19 transmission. Verifying proof of vaccination for persons 12 years and older in the Facilities noted above, in accordance with this Letter of Instruction, will strengthen protections for York Region communities by helping curb the spread of COVID-19.

These instructions are being provided pursuant to Section 2(2) of Schedule 1 to [Ontario Regulation 364/20](#): Rules for Areas at Step 3 And At The Roadmap Exit Step made under the *Reopening Ontario (A Flexible Response to COVID-19) Act, 2020*, S.O. 2020, c. 17 (the "*Reopening Ontario Act*"), formerly a regulation made under the *Emergency Management and Civil Protection Act* and now a continued section 7.0.2 order under the *Reopening Ontario Act*.

Where this Letter of Instruction imposes an additional requirement not set out in the *Reopening Ontario Act*, the requirement under this Letter of Instruction must be followed.

Effective 12:01 a.m. on October 1, 2021, and until further notice unless otherwise specified, I am instructing all persons responsible for Facilities where organized sports are played and/or practiced to:

1. Require each person, age 12 years and older, at the point of entry, who attends the indoor area of the Facility for the purpose of (a) actively participating in organized sports, (b) coaching, officiating at organized sports or volunteering, or (c) spectating at organized sports, to provide identification and proof of being fully vaccinated against COVID-19 or a valid medical exemption.
2. Comply with all other requirements under the *Reopening Ontario Act* and its regulations that apply to the Facility.
